

## WELLNESS ETIQUETTE

We wish you to feel good and comfortable when visiting us. To make sure everything goes as expected and you will find your stay here truly relaxing please read the wellness etiquette.

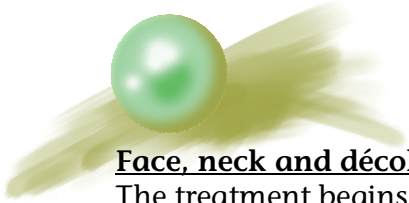

- While being at the Strand Wellness Center we expect you to treat our staff and other guests with respect. Please turn off your cellular phone.
- We would like you to arrive for booked treatment sessions 5 to 10 minutes early so you can prepare your mind for the experience ahead.
- Please register with the center's receptionist before you go to your treatment.
- Please inform our staff of any problems with your health (e.g. chronic diseases, allergies) or other conditions (e.g. pregnancy) that we should consider when performing the procedure.
- The staff member who takes care of you in the wellness center will inform you about the products they use and the effect of the treatment before the treatment starts.
- Please consult a member of the staff if you have any questions about the clothes you should wear for the treatment.
- Please inform the employee immediately if you feel inconvenient.
- It would be good if you also gave some feedback after the treatment. It helps us make our services even better.
- If you have any complaint please inform us about it on the same day. The later claims will not be counted.

## BOOKING AND CANCELLATION OF TREATMENTS

- Book the treatments and procedures you like in advance to make sure you will receive them.
- Please let us know 3 days before your arrival if you need to change your appointments. Any requests made later will be considered only if possible.
- Please notify the wellness center tel. +372 447 5386 if you are unable to arrive for your treatment on time.
- Unfortunately, late arrival means that your treatment will be shorter.
- The treatment will be automatically cancelled if you arrive so late that half the time allocated for the treatment has passed. Payments made in advance are not subject to refund.

**WE WISH YOU RELAXING EXPERIENCES!**

## FACIAL TREATMENTS

### **Face, neck and décolleté massage 30 minutes 13 €**

The treatment begins with the exfoliation of face, followed by a relaxing massage (20 min). A day cream is applied on the face in the end. The effect is immediate – after the massage you feel fresher and better.

### **Eye treatment with algae mask 30 minutes 13 €**

The treatment consists of the cleaning and light exfoliation of the skin around the eyes. Serum is applied with massaging movements on the skin around the eyes, after which algae pads that are enriched with minerals and vitamins are placed under the eyes, the treatment ends with the application of cream on the skin around the eyes. The treatment is deeply moisturizing and smoothes the fine lines. Refreshes and soothes tired eyes, suitable also for sensitive eyes.

### **Natural efficient facial treatment Natu Royale 30 minutes 16 €**

The treatment begins with the exfoliation of face after which luxurious Natu Royale mask is applied on the skin which revitalizes tired skin, regulates its level of moisture, activates the circulation of blood, firms the skin and restores the elasticity. Finally, a day cream is applied on the face.

### **Natural deep cleansing facial treatment 60 minutes 25 €**

The treatment begins with the exfoliation of face, followed by mechanical facial cleaning. After that, a mask is applied on the face which removes excess grease and dirt gently without drying the skin. The deep cleansing mask also has an astringent effect on the tissue and stimulates the circulation of blood. Contains the extracts of yarrow and yeast, rosemary and allantoin. Finally, a day cream is applied on the face. Suitable for regular treatment for people of every age and for all skin types, including enlarged pores, damaged and oily skin and acne prone skin.

### **Anti-stress treatment with carrot and mint mask 60 minutes 30 €**

The treatment begins with the exfoliation of face, followed by a relaxing massage (15 min). After that a carrot and mint mask is applied on the skin that contains extensin, a valuable protein found in carrots that smoothes and tightens the connective tissue. Finally, a day cream is applied on the face. Tired and tense skin acquires new vitality and energy. Suitable for all skin types.

### **Classic facial treatment according to the skin type 60 minutes 27 €**

The treatment contains the exfoliation of face, massage and a mask according to the skin type. If requested, a serum is applied and finally a day cream. Suitable for taking care of the facial skin regularly. If requested, a serum for additional pay 6 €.

### **Firming facial treatment with vitamin C mask 60 minutes 36 €**

First, the facial skin is cleansed and exfoliated with an enzyme exfoliator containing fruit acids. After that, the skin is pampered with a relaxing massage (15 min) and firming vitamin C mask is applied on the face. The treatment is finished with illuminating vitamin C serum. The treatment stimulates the synthesis of collagen in the skin, heals the skin structure, protects from free radicals and sun rays, inhibits the synthesis of melanin causing pigmentation and is suitable for all skin types.

### **Anti-aging firming DNA facial treatment 60 minutes 45 €**

First, the facial skin is exfoliated with and acid exfoliator which smoothes the skin texture. This is followed by a relaxing massage (15 min) and the DNA mask is applied on the face. The mask improves the elasticity of skin tissue, adds glow to the skin and protects cell DNA thanks to special active ingredients. To complete the treatment a firming day cream is applied on the face. A client takes home the mask used in the treatment that we recommend to use for another week after the treatment. Suitable for all skin types.

**Facial treatment with 24 carat gold 60 minutes 58 €**

The treatment begins with the exfoliation of skin with a special diamond exfoliator which is followed by a relaxing massage. Gold sheets are applied on little wrinkles which are dissolved with a special elixir – as a result of this the whole facial skin is covered with a gold mask. Finally, a cream enriched with gold powder is applied on the skin. Everything you can dream of – the skin is nourished, moisturised, glowing and full of vitality – will be achieved with 24k Soin d'Or luxurious treatment products.

## MASSAGES

**Classic massage with natural massage oil**

**30 minutes 16 €, 60 minutes 26 €, 90 minutes 39 €**

The purpose of classic massage is to influence muscles, blood supply and lymphatic circulation in a therapeutic manner. Massage relaxes and softens muscles and also improves the elasticity of skin. Massage is an excellent tool in combating tiredness. According to the wishes and needs of the client, the massage will be performed on the full body or only on the problematic areas (back, shoulders, neck, hands, legs). Grape seed oil helps to firm the stressed-out and flabby skin, moisturises efficiently and contains vitamins C and E.

**Stress relieving shoulder, neck and back massage with natural massage oil 40 minutes 20 €**

Massage improves the blood and lymphatic circulation, boosts metabolism, strengthens the immune system, eases muscle tension and alleviates stress. Massage has a relaxing effect in case of mental and physical excess stress. Massages focuses on the back, neck, hands and the shoulder area.

**Aromatherapy massage with natural massage oil 60 minutes 29 €**

Aromatherapy massage offers true pampering for the body. Skilful selection of aromatherapy oils and the massage relieves muscle tension, sleep disorders, fluctuation of blood pressure, menopausal complaints, reduces stress and lifts the mood.

The massage is not suitable for expectant mothers.

The selection consists of three oil mixtures:

**Relaxing oil mixture** of ylang ylang, lavender and sweet orange that has a soothing and anti-stress effect, lowers blood pressure, promotes peaceful and deep sleep and strengthens the organism.

**Muscle tension relieving oil mixture** of eucalyptus, rosemary and peppermint that strengthens the resistance of the organism, relieves muscle tension and muscle soreness, has an invigorating effect.

**Emotional stress alleviating oil mixture** of sandalwood, wild rose and pelargonium that alleviates mental and physical stress, creates a sense of well-being and harmony.

**Chocolate massage 60 minutes 29 €**

Chocolate massage offers pleasure and relieves stress. Chocolate and its aroma have a strong calming effect producing the so-called happiness hormones. Massage moisturises and nourishes the skin and improves metabolism. Chocolate mixture containing shea butter, cocoa butter and cocoa is used in massaging.

**Shea butter full body massage for extra dry and sensitive skin 60 minutes 29 €**

Shea is a butter extracted from an exotic shea tree growing in West Africa. We recommend the massage primarily in case of dry skin as the treatment efficiently moisturises and nourishes dry skin.

**Honey massage 30 minutes 20 €, 60 minutes 29 €**

Honey massage improves blood circulation and relieves muscle tension which is caused by the accumulation of toxins. Honey binds toxins and boosts their excretion from the body through blood and lymphatic circulation and stimulates the functions of subcutaneous tissue and blood supply.

Massage is effective in case of a cold (cough), neuralgia and joint pain and stress. Honey massage helps to fight effectively against cellulite and cleans the skin pores. The massage is not suitable for pregnant women, people with very sensitive skin and people allergic to honey.

**Lava stone massage (Indian ritual) 60 minutes 36 €**

Lava stone massage is a therapeutic art based on oriental teachings to achieve the balance of body and soul. The relaxing stone massage is made with special polished lava stones and semi-precious stones that exude warmth and convey positive energy. Lava stone massage reduces muscle tension, dilates blood vessels, regulates digestive, metabolic and hormonal systems. The massage is not suitable for pregnant women and people suffering from diabetes.

**Massage with bamboo sticks (Chinese ritual) 40 minutes 26 €**

The massage that is mainly performed on the foot has a relaxing and pleasant effect. Helps to relieve tension and relieve stress. In case of cold hands and feet quickly improves blood circulation.

## BODY TREATMENTS

**Detoxifying and firming Atlantic Ocean mud wrap 75 minutes 39 €**

At first skin is exfoliated with a salt scrub, after which a mud wrap is applied on the body which is left to work on the skin. The treatment is finished with a nourishing and moisturising cream.

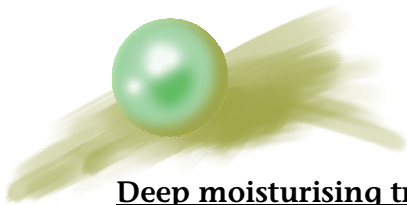

The wrap improves blood circulation, nourishes skin with necessary minerals and trace elements, releases toxins, tightens the tissues, reduces muscle and joint pain.

**Treatment with skin moisturising and nourishing yoghurt 75 minutes 39 €**

At first the whole body is exfoliated with a scrub enriched with mineral salts. After that body is covered with a rich and nourishing yoghurt mask that is left to work on the skin. Finally an extremely moisturising lotion containing fatty acids is applied on the skin.

As yoghurt contains plenty of proteins and vitamins, we recommend the treatment primarily in case of dry skin. An aromatic relaxing treatment boosts the metabolism of skin and nourishes the skin making it silky and supple.

**Deep moisturising treatment with shea butter 60 minutes 31 €**

The treatment starts with a milk bath that is followed by a full body massage with shea butter. Milk and shea butter are known as excellent moisturisers already from the history. Shea butter is rich in vitamins and fatty acids that are necessary to preserve skin softness and elasticity. Perfect for dry skin.

**Anti-cellulite treatment with citrus fruits and coffee soufflé 75 minutes 39 €**

At first the whole body is exfoliated with an aromatic coffee scrub that is followed by a citrus wrap that is left to work on the skin. Anti-cellulite firming soufflé cream with caffeine adds the finishing touch in the end of the treatment. Refreshing body mask made of green lemon, orange and grapefruit has the detoxifying and anti-cellulite effect. Contains plenty of vitamin C that inhibits the occurrence and formation of pigmentation, improves skin resistance, stimulates collagen synthesis, restores skin firmness, reduces inflammations and protects skin from sun damage.

**Body treatment with natural honey 60 minutes hind 31 €**

The treatment starts with the application of honey on skin that is followed by a full body strong massage and ends with a relaxing wrap. Honey massage improves blood circulation and relieves muscle tension which is caused by the accumulation of toxins. Massage helps to release toxins from the body through the blood and lymphatic circulation, stimulates the functions of subcutaneous tissue and blood supply, helps to fight effectively against cellulite and cleans the skin pores. The massage is not suitable for pregnant women, people with very sensitive skin and people allergic to honey.

**Sea salt body treatment 60 minutes 31 €**

At first the whole body is exfoliated with a sea salt and grape seed oil mixture rich in minerals. Oil helps to tighten stressed-out and flabby skin, moisturises efficiently and contains vitamins C and E. The mixture is left to work on the skin. The treatment ends with the application of a skin nourishing and aromatic coconut vanilla body lotion on the body. Suitable for all skin types.

**Warming body treatment with chocolate wrap 75 minutes 39 €**

Chocolate originating from cocoa beans has an important effect on skin beauty. Warming wrap helps to improve body silhouette and reduce the appearance of "orange peel" skin. Chocolate treatment gives the body all physiologic and emotional therapeutic properties of chocolate without any excessive calories! In course of the treatment the whole body is exfoliated focusing especially on problem areas. The treatment trims the skin, reduces cellulite, releases toxins and excessive fluid. Thanks to the aroma of chocolate and coffee the treatment gives genuine relaxation and pleasure.

**Body treatment with brown algae enriching the skin with minerals and relieving muscle tension 75 minutes 39 €**

The body is exfoliated with a salt scrub and a brown algae mask is applied that is left to work on the skin. Finally a body cream enriched with minerals and oils is massaged on the skin. Luxuriant body mask enriches the skin with mineral salts, nourishes and moisturises it. It gives the skin vitality and elasticity, relieves muscle tension, swelling and pain. The treatment has a calming effect, is very suitable for athletes and physically active people.

**Body treatment with 24 carat gold 75 minutes 58 €**

The treatment starts with the application of a body scrub that contains diamond powder with massaging movements and a neutralising gel is added. After that the body is covered with a luxurious mask that contains 24 carat gold which is left to work on the skin. The treatment ends with the application of oil on the body that contains microparticles of gold leaving the skin glowing and silky.
