#### WHY R4F?

- ◆ Europe faces the challenge to fight rising levels of unemployment;
- ◆ A percentage of 43% young adults especially from Southern Europe are currently unemployed;
- ◆ The empowerment of young people through the development of skills and competences is one way to help tackle the challenges Europe is facing.

#### WHAT NEEDS ADDRESSES R4F?

Trainers and teachers working in the tourism sector need:

- ◆ To equip with the competences to deliver key competences and transversal skills, intercultural, entrepreneurship and future “life skills” to young people;
- ◆ To give them tools and cooperation experience with foreign tourism providers;
- ◆ To gain new skills to align business operations in a sustainable manner;
- ◆ To give their curricula a novel input;
- ◆ To increase employability.

innovation and the exchange of  
good practices

- ◆ Field: Strategic Partnerships for vocational education and training,
- ◆ Duration: 15 September 2015 - 14 September 2017

### AIMS

To equip teachers and trainers working in the tourism sector with necessary skills to deliver transversal skills such as entrepreneurship education, key competences among young people.

To develop of a new, innovative pedagogical approach by enhancing the digital integration in learning teaching and training.

### TARGET GROUPS

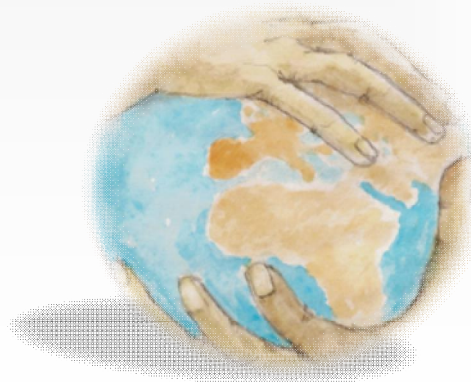

- ◆ Teachers and trainers working in the tourism sector in each partner country and at European level;
- ◆ Young trainees in VET;
- ◆ Young people with fewer opportunities to foster social inclusion;
- ◆ Persons with special needs, etc.

## Ready for Future: Equipping Teachers with Future Skills

### RESULTS

- ◆ A new pedagogical approach to support high quality in VET schools;
- ◆ A new Curricula embracing:
  - key competences and skills for the tourism sector;
  - future skills for the sustainable operation of the tourism enterprises;
- ◆ Training content for teachers;
- ◆ Conduct a short term learning training event for trainers in Italy;
- ◆ Enhancing digital integration in learning, teaching and training through the involvement of e-learning;

- ◆ Open educational Resource (OER) which serve as:
  - website to provide the public with information about the project;
  - educational resource;
  - compile material about the project topics;
  - store the teaching /learning materials.

### Short term joint staff training event:

Pilot training event for 8 teachers:

- ◆ Deliver tourism content;
- ◆ Innovative solutions to emerging social problems for tourism;
- ◆ Prepare of young target groups for mobility actions;
- ◆ Explore and experience tourism enterprises.

### Multiplier events:

- ◆ National events of R4F innovative approach of the training for the teachers/trainers and the resulting benefits for the beneficiaries of the target group;
- ◆ Final international multiplier event in Romania creating tangible features for teachers and an opportunity to gather, to motivate and to guidance the pupils about future opportunities related to the scope of the project.
