<b>Dates:</b>	30.05.-09.06.2015
<b>SOS</b>	<b>Any further questions or support necessary?</b> Please contact Your travel agents: +371 26326080 (Anna Palelione) +371 26433316 (Katrina Pilate) <b>Be aware of Emergency number in Baltic states: 112</b>

**10TH DAY: 08.06.2015**

- *Breakfast*

**Cycling: Tallinn – Tabasalu – Muraste – Türisalu – Keila-Joa – Paldiski (~67 km, 100% asphalt).**

From Tallinn city centre, take the Paldiski tee (street) and Rannamõisa tee (street), Follow the signs of Euro Velo cycling route in the direction of Tabasalu for ca 14 km and for 19 km towards Türisalu, where you can enjoy the sight of dolomite rocks on the Baltic coast from the parking lot.

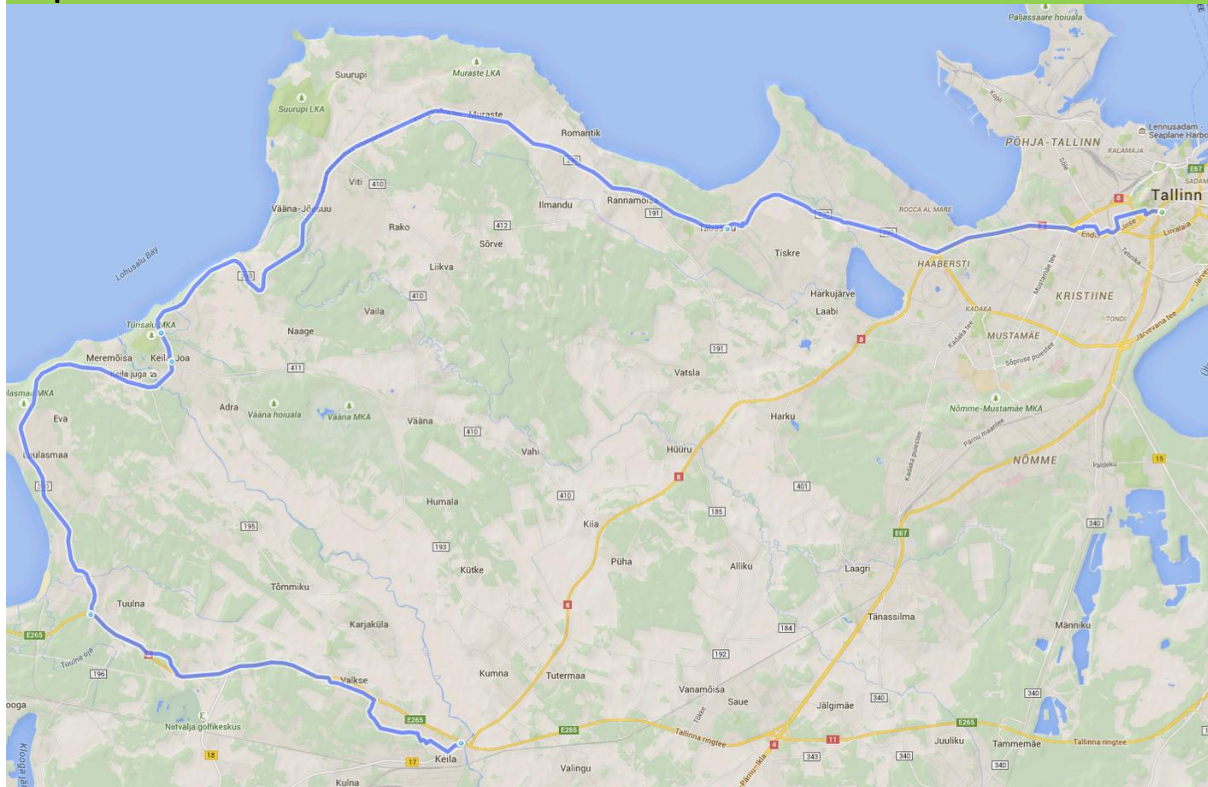

Then continue in the direction of Keila - Joa (3 km), where you will see the Keila - Joa waterfall. In hot summer it dries out, and visitors can see 6 m high dolomite stairs in the river bed.

To get to the Keila – Joa village, turn left in Keila and ride 15 km. You will find the train station in the village center. From this station take a train back to Tallinn.

**Taverna “Petri Toll”, Mere tn 10, Paldiski – local and Slavic cuisine, take-away food available, WIFI. Located into former toll collection point. Cash payment only.**

**Map: Tallinn - Keila**

## **Train ride: Keila -Tallinn** (26 km)

<http://en.elektriraudtee.ee/index.php>

1-way tickets can be purchased:

- in Elektriraudtee AS trains, from the train attendant using only cash;
- from Keila station kiosk (Infojaam).

**Attention!** A 1-way ticket is only valid in that specific train, where the ticket has been bought.

21:36	22:17	560	Keila - Tallinn
21:55	22:36	562	Paldiski - Tallinn

**Travelling with a bicycle:** You do not have to buy an extra ticket for the bicycle when you are travelling with one. Elektriraudtee AS trains have always one carriage that has been modified to meet the needs of the travellers with bicycles. That carriage is always the second one when counting from the Tallinn side.

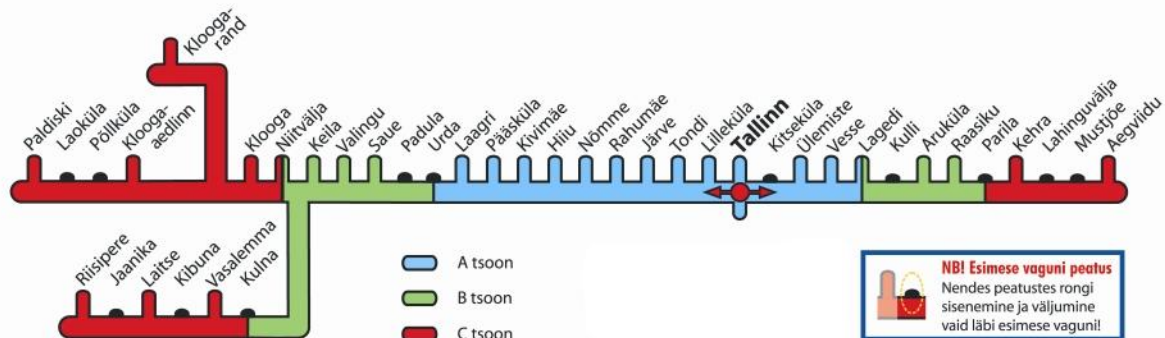

### Attention!

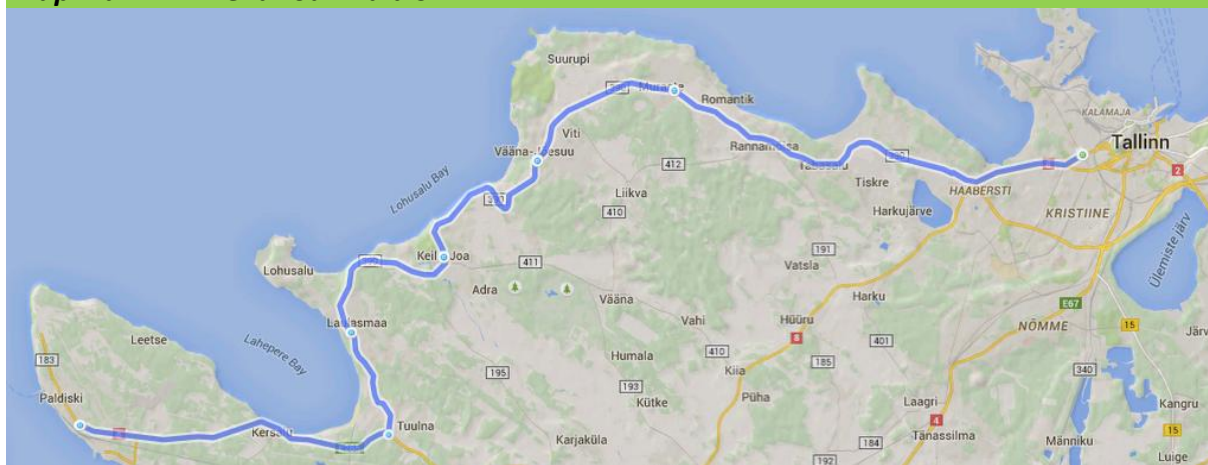

From Keila - Joa you can take a ride through Kloogaranna to enjoy the beautiful Baltic Sea coast and the beach. In this case, it is 23km to Keila.

You can also continue from Keila - Joa to Paldiski. The total distance to Tallinn city center is ~ 58km, 100% asphalt.
