Baltic Country Holidays

LAUKU CEĻOTĀJS

"Lauku ceļotājs" is a rural tourism association based in Latvia, established in 1993. The association unites small family-run accommodation and service providers in the Latvian countryside. Since then the organisation has grown in size, and has varied and developed its products covering also the three Baltic States. Through many years of operation we have established great relationships with our suppliers and our visitors benefit from our extensive local knowledge and personal service.

CIDER ROUTE

The Cider Route invites you to visit Latvian cideries that use only natural ingredients in their production - apples grown in Latvia. Cider makers themselves show their visitors the production process, let them taste their produce and tell them more about it. Some cideries also organise special festivals and open days, usually during the apple blossom period or harvest.

When planning your visit, please take into account that some cideries only accept guests upon prior arrangement. It is advisable to book your visit, as many small cideries are family businesses or only have a few employees, meaning that guest visits have to be planned in their everyday work schedule. Plan for your visit to take approximately 2 hours.

ABOUT THE CIDER ROUTE MAP

On this map you will find the locations and the visiting and tasting offers of various Latvian cideries, as well as the locations of several nearby guesthouses, cafés, restaurants, and specialised shops, where you can taste and purchase local produce.

The map provides a short description of each business and lists the types of cider produced as well as their offer for visitors, such as tastings, orchard and factory visits, master classes and events. You will also find their contact information. More information on the cideries is available at [www.celotajs.lv/ciderroute](http://www.celotajs.lv/ciderroute).

The map is an appendix to the Cider Route brochure, which offers more information about Latvian cider, its culture, local traditions and cider festivals.
