

BALTIC NATURE LUNCH & RECEPTION

3–4 September 2025 | Manchester & Edinburgh

Discover the natural side of Latvia and Estonia through a special afternoon designed for UK travel professionals. This roadshow invites you to explore the Baltics with all your senses — tasting seasonal flavours, smelling forest herbs, and hearing the calls of wildlife and birds that bring these landscapes to life. Learn how guided mushroom foraging, birdwatching in quiet bogs, and authentic sauna traditions can become unforgettable travel experiences for your clients. Meet representatives from the Baltic Country Holidays, the Latvian Tourism Board, the Estonian Rural Tourism Association, and the Estonian Nature Tourism Association, who will share how these rich offerings fit today's travel trends. It's an opportunity to connect directly with local experts and discover new ideas for your programmes.
