# 1. Estonian War Museum

## **Benefits:**

- Improving the accessibility of different client groups (reduced mobility, youngsters and children) by redeveloping the whole exposition conception and delivery in the Tartu branch of EWM;
- Developing and implementing a web-based interactive map solution for school-aged youth;
- Improving the Military Heritage Travel Map.

**Future use:** improved access to EWM facilities, more and different client groups in EWM, increased number of visitors from Estonia and abroad!

## 2. Estonian Aviation Museum

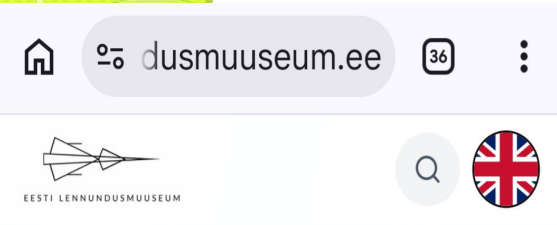

### **Benefits:**

- Developed and launched a multilingual audio guide (EST / ENG / LAT)
- Improved accessibility through QR and web-based solutions, enabling access to museum content beyond physical limitations
- Enhanced access to content for visitors with mobility and visual restrictions
- Strengthened digital learning opportunities for school-aged youth through audio content

### **Future use:**

The solutions developed within the project will continue to shape a more inclusive, accessible, and future-oriented cross-border military heritage experience at the Estonian Aviation Museum.

# 2. Estonian Aviation Museum

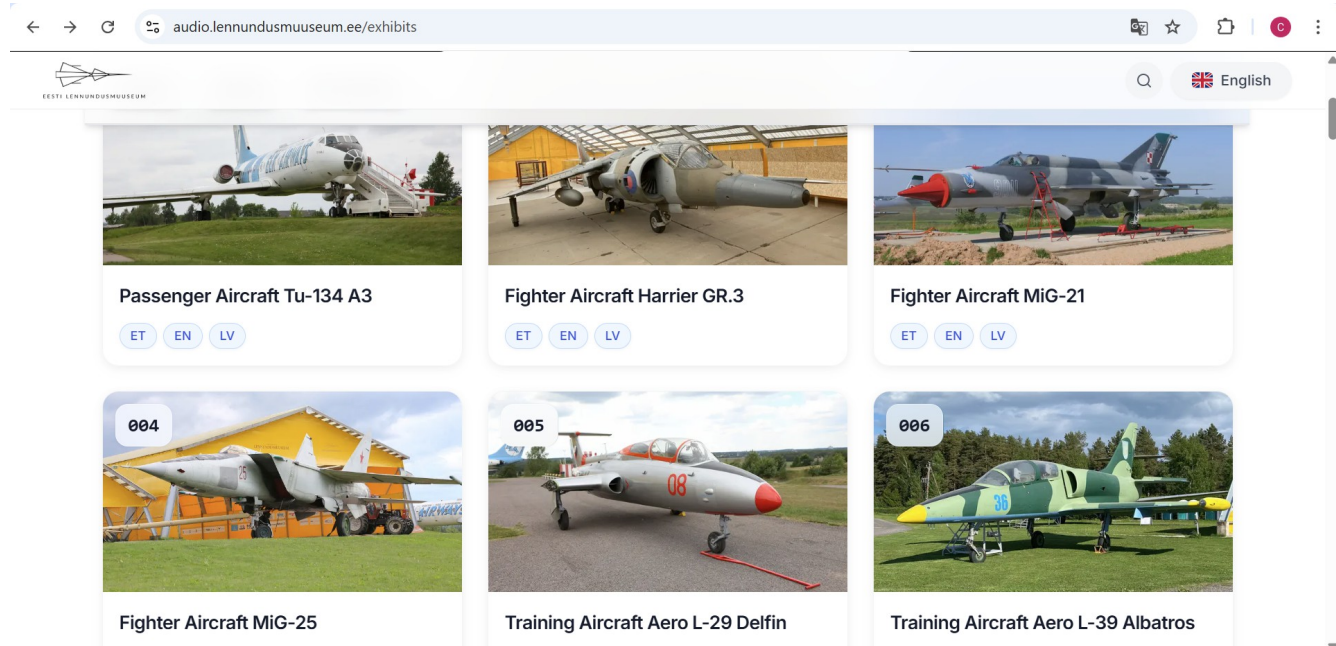

## Welcome to the Estonian Aviation Museum Audio Tour!

Our audio guide will accompany you through the museum, introducing you to fascinating exhibits and their stories. The guide is designed for all visitors, including those with visual impairments, to make the museum experience even more enriching.
